JÚLIO CESAR RODRIGUES

Web Designer - Project Manager

PROFILE

I like to believe that I have always been a fighter.
Despite life not being that easy, I give all that i have and try to make the best every day in any task that I have to do. Would love to have the opportunity to have an interview, for you to get to know me and let me show you wy I would be the best fit to your team and project needs. I will bring with me more then 10 years of web and advertise development plus all sorts of knowledge in all sorts of areas of business.
